ABOUT ME

MY NAME IS WOJCIECH (VOY-TECH) ADAM MIETKA. MY FAMILY AND I IMIGRATED TO AMERICA WHEN I WAS 7YRS OLD. I AM FLUENT IN BOTH POLISH AND ENGLISH LANGUAGE. I PRIMARILY SPENT MY EARLY CAREER WORKING IN THE MUSIC INDUSTRY. I STARTED WORKING WITH MULTIPLE PROMOTERS AND VENUES ALL AROUND CHICAGOLAND AREA. AFTER THAT I FOCUSED MORE ON CORPORATE DESIGN, TRYING TO BECOME MORE UNIVERSAL IN STYLE. THAT HAS LED ME TO WORK PRIMARILY WITHIN THE FINANCIAL FIELDS, AND HAS BROUGHT ME A LOT OF WORK WITH SAID CLIENTS, AS YOU CAN TELL BY MY LOGO'S PAGE. I ALSO STARTED TO BRANCH OUT AND FOCUS ON VIDEO AS WELL AS WEBSITE DEVELOPMENT TO NOT ONLY LEARN SOMETHING NEW, BUT ALSO PROGRESS WITHIN MY FIELD TO SUCH TITLE WEB DEVELOPER, AND VIDEOGRAPHER. AS YOU CAN TELL MY MAIN GOAL IS TO BE UNIVERSAL AND TO BE ABLE TO TACKLE ANY DESIGN NEED A COMPANY MAY HAVE.

2017- 2018 Full Time Graphic\Video\Web Designer

In charge of video production for numerous ecommerce platforms. Conceptualize, storyboard, compose, shoot, and develop mini clips showcasing products and their intended uses. I have created some custom product box designs as well as numerous marketing and promotional materials to be used alongside our products such as Facebook banners and Amazon A+ page design.

I'm very proud of the website development I've done. I created a brand new fully responsive site for the face of the company showcased on the following page.

BV Website - Website Rebrand

Front-end was fully coded by me. Animated CSS banners as well as motion video was incorporated to draw the eye in. Parralax scrolling of images was also coded in to hide and un-hide picture and info.

Website code can be provided upon request

Security Camera Box Design

I had the pleasure of producing the box design for BV's CA-IPBF-4MP-WIFI Camera.

MIDWEST OUTDOORS

Lead Graphic Designer | Art Direction | Brand Design

As the Lead Graphic Designer and Website Administrator at MWO, I create monthly magazine covers and manage the backend of our multiple websites, for multiple clients in the fishing industry. I'm responsible for the production of the MWO magazine. I'm integral part in the creation of our ads, socials, and everything in between. I've made multiple custom animation ads using after effects/premiere. Static video ads, google specific ads. You name it. With a passion for design and a love for fishing, I've turned my personal interests into a fulfilling career. Working in a fast-paced and dynamic environment, I've gained valuable experience in graphic design, website development/administration, and social media management.

Created multiple wordpress websites, and assisted in the upkeep, production, and management of said website i.e. but not limited too
(MidWestOutdoors.com, MWOmedia.com, BusasMarine.com, ...MNusa.com, etc)

LOAN CHEETAH

2018-2019 Full Rebranding of the Loan Cheetah company

I was given the opportunity to completely re-brand the Loan Cheetah company. We started off with the idea of creating a mascot. After a few drafts we nailed down the idea of what a loan cheetah is. Shortly after that I was commissioned to make animated videos featuring our cheetah. That was fun to create everything from scratch and to see him come to life. I also redesigned the website app as well as the blog section to better fit the rest of the site.

2018-2019 Loan Cheeah Commercial (2min)

I was commissioned to make an animated 2D commercial featuring our cheetah. I had a blast creating everything from scratch and to see him come to life. I commissioned a British voice over actor to read off my script. All animations, storyboard and graphics were created by me to bring this cheetah mascot to life.

2020-Bad Grease Skateboard Designs - Evan Severinsen Pro Models

For the past year, I've been designing pro decks for my friend Evan. Some of these designs made it to print others didn't but I thought I'd share them either way. It's fun I always wanted to design a skateboard deck ever since I was a kid, and this is more of a passion project for me than anything.
